**Robertson Kitchens** of Erie, PA is hosting an art exhibit featuring the photographic artwork of the members of the **Photographic Arts Society of Northwestern PA (PASNWPA)** as well as the artwork of other selected artists from the area. The official opening reception is **Friday, April 29 from 6 pm – 9 pm**, which coincides with the Erie Art Museum’s Gallery Night. Attendees at the opening reception will be treated to a Mocktail Bar and other treats. Join in the fun while browsing the artwork that will be on display – from photographs of panoramic landscapes to richly toned nature and wildlife images, to monochrome and **impressionistic photographs as well as other media, such as sculptures and paintings**. The photographic and mixed media artwork will be exhibited against the backdrop of the beautiful display of cabinetry and countertops at Robertson Kitchens.

The show will feature the artwork of so many of Erie’s well-known photographers and artists listed below. These photographers and artists will be in attendance during the opening reception to discuss how they bring the visions for their artwork to fruition.
